*Md. Mahabubur Rahman
Coach (Basketball), BKSP*

Basketball is played between two teams of five players each. The objective of each team is to throw the ball into the opponent's basket and to prevent the other side from securing the ball or scoring. The ball may be passed, thrown, tapped, rolled, dribbled in any direction, subject to the restrictions laid down in the rules.

The game of basketball originated from America. The Principal Dr. James Naismith of YMCA College of Physical Education had invented this game in

of number coaches and trainees. At present it has only two local coaches, one foreign Coach and 31 trainees. One of the main reasons of small number of trainees is the special requirement of this sport i.e. height. At the time of intake, the minimum height requirement is 5'-10". In view of this requirement only a handful of students are able to seek admission. The performance of the Department has been praiseworthy. The trainees have performed extremely well in junior level competitions and at

1891 to keep the athletes fit during the rainy season. International Basketball Federation (FIBA) was founded on June 18th 1932 in Geneva. In 1936 the game was first introduced in Berlin Olympics. The World Cup started from 1950 and the woman basketball was introduced in Olympics in the year of 1976 at Montreal. In Asia, basketball game started from 1960 and in 1961 1st Bangladesh National Basketball Championship was held at Dhaka.

Basketball was introduced in BKSP in the year 1997 with 27 students. In terms

the same time in senior level competitions also their performance has been quite creditable. Even though there is an indoor facility in the Institute for playing basketball, yet most of the time, the training sessions are held in two well-maintained cement courts. The basketball trainees use the indoor gymnasium as and when it is available for training. The indoor gymnasium has been provided with portable hydraulic system basketball boards donated by Japan International Cooperation Agency (JICA).
